ABOUT US

Since 2018, The Edinburgh Craft Club has been creating engaging, hands-on workshops that bring people together through the joy of making. We design beautifully curated creative experiences that encourage connection, conversation and a chance to step away from the everyday.

Perfect for Christmas celebrations, team-building activities and employee wellbeing events, our workshops are designed for all abilities. We bring everything needed to your workplace, allowing your team to relax, get creative and leave with a handcrafted keepsake to enjoy.
